## Happy Spring

### General News

April has arrived and warmer weather is just around the corner. Can you believe school is almost over? The year is flying by! Thank you for the help with our Pajama Party. Thank you for remembering all the things we ask for! I know it gets hectic!

### Gesell Screenings

I have sent Gesell results and am available for any questions you may have.

### 89er Hayride

Our 89er Cowboy day will be on Tuesday, April 23rd. I will do a signup Genius for our 89er Cowboy Snack. (Check your email.) All parents are welcome to join us from 10:45-11:45 for 89er day activities.

### Picture Day

The Kindies will have picture day on Wednesday April 9th. If your Kindie has a MWF or Scottie sibling we can do their "together" picture if you would like. You would just dress them both on Wed.

## Center News

### Language Arts

We will work on letter N,Q and finish reviewing all the letters. We will continue working with our sight words and handwriting skills. We will have some special units for the rest of the school year. Please continue to read with your child at home and remind them to write their names the Kindergarten way.

### Math

We will continue working with adding and subtracting using larger numbers. We will work on measuring using standard and non standard units of measure. We are working on telling time. Please practice with your child as often as possible. Telling time is a tough skill to master.

### Science

We are hatching chicken eggs in an incubator. We will have around 3 dozen eggs! The eggs take 21 days to incubate and we are hoping for the best.
