

Gingerbread Communication

It is important to us that you are able to communicate with us about your child, the school or any other need you have. This is how we develop the relationships that ensure that your child and your family have the best possible experience here. Listed below are the methods of communication we use and the best times to use them.

In Person: We love to visit with you about your (now our!) child but not in front of them. You can make an appointment to meet with your child's teachers (afternoons usually work best for this), we'll be getting to know you during our field trips and parties and we schedule Parent/Teacher conferences in January (Giants, Scotties, Kindies, and Elves by appointment). We will have some kind of family event (parent meetings, Marshmallow roast, picnics, etc.) each month as well.

Gingerbread phone number: 405 321-0087. This phone is answered by our Office Manager, Kathy Corlee, Monday, Wednesday and Thursday mornings. After that time it will be answered by the Gingerbread teachers. This phone line is best for questions and information 7:30-5:30 or to leave a message after hours. We will also leave a message if weather forces us to close school.

Newsletter, calendar, invoice and menu: You will receive all these a few days before the first of the month. If you haven't received these by the first of the month please let us know.

Gingerbread web site: gingerbreadnurseryschool.net. Log in is GBkids12 and password is GBparent12. You will be able to view your child's newsletter, the class calendar, the lunch menu, Skye's newsletter and frequently asked questions.

Gingerbread email: gingerbreadnurseryschool@gmail.com. If you have questions or information for me (Skye-the director) this is a great place to contact me. I check this email twice a day, morning and afternoon. If you need to contact me immediately, please call instead.

Teacher email: Each class has a group email specifically for that class. You will receive a note with how to add to your child's class email.

Elf Class: please email your name and that of your child to gingerbreadelves@gmail.com to be added to this list.

Giant Class: please email your name and that of your child to giantteacherskye@gmail.com to be added to this list.

Scotties: please email your name and that of your child to scottieteacherkayla@yahoo.com to be added to this list.

Kindies: please email your name and that of your child to nnolankidz@yahoo.com to be added to this list.

Skye's cell phone: You may text or call 405 850-3082 if you need me in the afternoon. If you need me in the morning, please use the Gingerbread phone number as I am with the children.

Your child's lead teacher's cell phone: If your child's teacher provides this please respect their class and personal time. You should be able to find the answer to most of your questions from the above communication methods.

Gingerbread app: Go to the app store to download the Gingerbread Nursery School app and follow the prompts. Opt in for alerts in order to get notifications. I will not use this for much more than school closings, so do not be worried that I'll bombard you with messages.

Gingerbread Directory: several weeks into the school year you will receive a school directory with teacher phone numbers as well as directory listings for the families in your child's class. Making new friends with other Gingerbread families is highly encouraged.

Gingerbread facebook: like and follow Gingerbread Nursery School & Kindergarten on facebook for articles, photos (with permission, of course) and school closings.

Chalkboard: We will put reminders on the chalkboard in the drive through.

For Your Convenience: Gingerbread has a guest wifi (GB GUEST). The password is gbkidsrock.

Thank you for being a part of the Gingerbread Family. We welcome any comments or suggestions regarding communication or any other topic. It's going to be a wonderful year.
